Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the collector's records.

General Comments

Little change was made in the current fiscal condition of the town during the year 1948, which ended with a current deficit of \$9,106.27, as compared to the

TOWN OF LINCOLN

The services of the Dental Trailer sponsored by the N. H. Health Department were secured last Fall but due to the fact that the Trailer was booked for so many towns, only the pupils of the first three grades of grammar school had their teeth cleaned. The pupils of the first two grades had fluorine treatment, the purpose of which is to help prevent further decay of the teeth. This service was free to the children. The Red Cross Chapter paid the living expenses of those who accompany the trailer.

Vision clinics were conducted by Dr. John Hall of Littleton, twice during the year.

The Hot Lunch Program, sponsored by the P.T.A. and aided by the Red Cross, was begun the latter part of November. The very large number of children taking advantage of this program is most gratifying.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

December 27, 1948

School Board
Lincoln School District
Lincoln, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Lincoln School District for the fiscal year ended June 30th, 1948, which was made by this Division in accordance with the vote of the School District. Exhibits as hereafter listed are included as part of the report.

Financial Statements
Comparative Balance Sheets

June 30, 1947—June 30, 1948: (Exhibit A)

Comparative Balance Sheets, as of June 30, 1947 and June 30, 1948, are presented in Exhibit A. As indicated therein the Net Debt increased by \$7,197.96 during the year.

Analysis of Change in Financial Condition:
(Exhibit B)

An analysis of the change in financial condition of the school district during the year is made in Exhibit B, with the factors which affected the change indicated therein.

Comparative Statement of Appropriations and
Expenditures—Estimated and Actual Revenues:
(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fis-

cal year ended June 30, 1948, are presented in Exhibits C & D. As indicated by the budget summary a net overdraft of appropriations of \$1,571.49, less a net revenue surplus of \$1,321.44, resulted in a net budget deficit of \$250.05.

General Comments

Your attention is called to the fact that the school closed the fiscal year with a current deficit of \$4,773.04 as compared to a current surplus at the close of the previous year of \$424.92, as indicated herewith.

	June 30, 1947
Total Assets	\$ 1,009.92
Total Current Liabilities	585.00
	<hr/>
Current Surplus	\$ 424.92
	June 30, 1948
Total Current Liabilities	\$ 5,285.31
Total Assets	512.27
	<hr/>
Current Deficit	\$ 4,773.04

Provision should be made in the 1949-50 budget for the deficit which existed at the close of the year June 30, 1948, plus the \$1,000.00 note due April 1st, 1949, plus interest of \$150.00 payable on the same series of notes, October 1st, 1948 and April 1st, 1949. Of course, any further deficit incurred during the 1948-49 school year evident at the time of the March School Meeting should also be included in the deficit appropriation.

The accounts and records of all school officials were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report, or a summary of its essential features, shall be published in the next annual school report.

We extend our thanks to the officials of the School District of Lincoln for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,

Director
